Dams Udder 1

Dams Temp 1

Description

The DDA Alliance 142V is a maternal brother to our DDA Bar Lad 177U. The mother to 142V was 19 years old when 142V was born. She was a great cow and so was her mother who stayed in production until she was 22 years old. Pinebank shows up on both sides of this great pedigree.

Quantity: 1
