Sire DDA Cooper 135U

BW 83

WW ratio 108

CE 3

Scrotal 37

Final weight 994

Hip Height 48

Dams Udder 1

Dams Temp 1

Description

If a person is looking for function and longevity, do not pass the DDA Chinook 61A up. DDA Cooper 135U not only has the pedigree but the structure and function that we like. His mother DDA Galatea 859 was sold to Loyning Angus and Wyatt DeVries. Loyning Angus top selling bull in April 2024 is a son of the DDA Galatea 859. The mother to this great sire is a 0668 daughter, she has had 11 calves here at DDA. The great grandmother has had 7 calves and great great grandmother 11 calves. I would like to thank South Fork Angus from Chinook Mt. for the opportunity of using this great sire.

Quantity: 1
