**Description**

The DDA Alliance 142V is a maternal brother to DDA Bar Lad 177U. Due to the fact that both bulls mother is DDA Hana 940 makes me like this bull even more. Not many pedigrees will show great grandmother, that was born in 1982 and nothing has been frozen to preserve animal. Truly a gem. I also see Pinebank in this pedigree three times 4 and 5 generations back is 458, 5Z, 791, 580/368 E5H and Melisa 824.
