LOT 35 - Bred Heifers - Bid per head X 5

Description

The heifers are right from the heart of our replacements. They are selected for their balance of traits, such as, disposition, udder quality, fleshing ability and soundness. They are bred to FCC Magnum 8203 (Reg. #19616742). We calved 20 heifers bred to him this spring and didn't touch any of them. They were ultrasounded on Oct 31st and are bred to calve in May.
