This colt regularly leaves 11's in the dirt while he is playing. He is just a natural and is a joy to watch move. He should mature to 15+ hands and be stout enough and athletic enough to do anything in or out of the arena setting. This colt has a unique pedigree with 16% Blue Valentine and 13% Doc Bar.

This colt's dam, Just Smokum Wright, is royally bred. She is by Smokum Oak, who earned \$217,000 then stood at Wrights Quarter Horses and produced many more money earners. This colt's sire, Rowdy Blue Fox, came from the famous Merritt Quarter Horse Ranch in Fort Collins, Co and is 38% Blue Valentine. This colt is stacked with potential from both parents to excel as a performance and/or ranch horse.
