LOT 23 - Semen

Sire Red Alliance

Reg # 1194096

Units 15

Description

This bull has a great outcross pedigree with strong maternal lines and an excellent high elevation (low PAP) history behind him. PAP 37 @ 5500. This bull born 15 years ago still excels in marbling, weaning weight, and fertility. There are few Angus bulls that are as great of maternal breed legends as Sitz Alliance 6595, and here is a great Red opportunity to get those genetics. 15 units offered here, price per unit, shipping will be at the buyer's expense.
